SUMMARY

Dedicated to learning and growth, I stay updated on technology and software trends. My public relations and volunteer work have strengthened my communication and collaboration skills, enabling me to contribute effectively to any team. My programming experience has sharpened my analytical and problem-solving abilities, enabling me to write efficient code and contribute effectively to technical projects.

EXPERIENCE

*Apnibus, **Product Marketing Intern***

Jun 2025 - Present

*Labmentix, **Data Analyst Internship***

Mar 2025 - May 2025

- Worked on real-world data analytics projects involving data cleaning, analysis, and visualization. Used Python (Pandas, Matplotlib) and SQL to extract insights and support business decisions. Gained hands-on experience in solving real data problems and presenting findings effectively.

*Asiatic Electrical & Switchgear Pvt.Ltd., **Operations and Marketing***

Jul 2024 - Jul 2024

- Planned and executed marketing campaigns, enhancing customer engagement and increasing inquiries.
- Managed operations to boost product visibility and streamline workflows, achieving a 10% improvement in efficiency and reducing costs.
- Coordinated efforts across teams to align marketing and operational goals, ensuring consistent business performance.

*NSS CELL JIMS VASANT KUNJ, **Public Relations Executive***

Feb 2024 - May 2025

- Led public relations efforts to promote NSS initiatives, increasing awareness and volunteer engagement.
- Successfully collaborated with NGOs, convincing them to partner with our NSS Cell for impactful community programs.
- Managed event logistics and activities, fostering smooth execution and active participation.
- Designed campaigns to strengthen community connections and drive meaningful social impact.
